

Martha's Vineyard Fiber Fest Weekend April 18-21, 2008

HOUSE PARTY!

Meet & Greet Fiber Goats, Alpacas, Sheep and more at the First Annual Martha's Vineyard

Fiber Fest - April 19!

Join [Textile Travel](#) in supporting **Susan Gibbs**, proprietor of [Martha's Vineyard Fiber Farm](#), in her efforts to help preserve sustainable farming in New England.

Susan has created the first CSA (Community Supported Agriculture) project in the U.S. that offers member shares in a 'harvest' of fleeces, roving and yarn instead of the usual farm produce. At the Fiber Fest, we'll meet and mingle with her Fiber Farm animals and their new kids, plus visit with other farmers and proponents of sustainable and locally-sourced living.

Don't miss this Special **Patriots Day House Party Weekend** Before the crowds hit the Vineyard!

Check-in starts at 4:00 PM Friday, April 18, with Check-out at 10:00 AM Monday, April 21, 2008.
